MEASURING INSTRUCTIONS

Neck Size: Measure around the neck over the Adam's apple., add ½ inch.

Sleeve Length: Measure from the center of the collar at the back of the neck and follow outside contour of the back and arm to ½" below crease in the wrist.

Waist Size: Measure around the waist at the line of the navel. Waist measurement should be pulled snug – not tight and not loose!

Chest (under arm): Measure around the chest as high as possible under the arm. Put your hand under the tape.

Chest (over arm): Measure over arm at top of muscle.(Deduct 6" from over arm measurement to get coat size)

Out seam: Measure outside of leg at line of navel to floor. Measure without shoes then subtract 1 inch.
